Check Your Paperwork!

The State of Texas Licensing requires that all registration paperwork be completed before your child attends school. This includes all phone numbers, addresses, immunization records, and doctor's statements. Frequently we find areas that are not completed. Please see Ms. Heather to ensure your paperwork is current and complete. Thank you so much for your help!

Happy Birthday

Please join us in wishing these faculty members a Happy Birthday!

August 2 Heather Day

What to Expect The First Few Days of School!

Starting school for the first time is exciting and stressful for both students and parents! They are excited and want to come to school until mom walks out the door. It is not unusual for students to have separation anxiety at the beginning. So, here are some things you can do to help your child adjust. First, attend the Meet the Teacher session. This gives your child a chance to meet the teacher, see the classroom and meet new friends with parents by their side. Encourage them, tell them what fun they will have meeting new friends. If parents show anxiety, the children will pick up on it and have more difficulty. On the first day, be excited (no tears mom)! Help the child put their items in the designated spots, find their nametag in the cubbies for their backpack and head to the classroom. Parents are required to sign their children in and out at the door with their initials and the time each day. Hug your little person before you get to the classroom door! The teacher will greet you and them and open the door for the child to enter. Here comes the hard part! Wave good-bye, smile, tell them you will be back at 2pm to get them and LEAVE! Please don't hang around in the hall or by the door. The sooner the teachers can get them involved, the better they adjust. Please know tears are not unusual and tend to not last long. If your child cries for an extended period of time, you will get a call. It is our goal to provide a positive and fun environment for all our students! Thanks so much for your help!

Summer Schedule

The Clubhouse Office begins summer hours on May 28, 2018. Someone will come in twice a week to check messages and return calls. The days of the week vary during the summer, so leave a message and we will get back with you! Our regular office hours will begin August 1, 2018.

18-19 Registration

We still have a few spaces left for the 2018-2019 school year! Be sure to let your friends and neighbors know! Just give us a call at 972-562-2210 or visit our web site at www.crosspoint-church.org and click on Families at the top of the page. In the drop-down menu, select Clubhouse Preschool.
